Dear Parents,

It's that time of the year... seniors have graduated, underclassmen are moving up, and the yearbook goes on sale. We feel that our yearbook has always been on the cutting edge of technology, and 2010 edition of *Reflections* is no different. Over the last few years the price of our book has escalated to an uncomfortable level, and we are using our technological advantage to find a solution.

We will be supplementing a reduction in the number of printed pages with DVD's included in the book. The DVD's, created by Mr. Brown's film production class, will feature clubs, sports highlights, individual class videos, the Talent Show, and much, much more. Twenty years from now, your student will not only be able to show their children how cool their hair looked 'back in the day', but also that great touchdown run or how mom or dad sounded when they were cruising the halls of NewCath.

The cost of *Reflections 2010* will be \$60 per copy, a reduction of 25% from last year's book. We hope you will join us in remembering a great year through both the printed page and video clips. Please have your order in no later than August 1, 2010. At that point we will place our order with the printer, so all orders must be in by that date.

Please make your check payable to NCC, and mail it c/o the Yearbook Staff. Thank you in advance for your continued support.
