

Newport Central Catholic High School

13 CAROTHERS ROAD NEWPORT, KENTUCKY 41071-2497

(859) 292-0001 • (859) 292-0656 Fax

Dear Parents,

This is an invitation to join the 500 Club. Membership to the club is \$50 annually. For that \$50 you have (52) chances to win \$100 plus an end of the year banquet with more cash giveaways.

How it works-You have (2) numbers shown on the enclosed card. The last three digits of the Dow Jones Industrial Closing Average determine the winning number on each Friday. If either set of your numbers match the DOW closing, you win. So, you have a chance each week to win \$100!

We have an exclusive offer for new members this year-If you join by April 30, 2010, you are invited to be our guest at the 2009-2010 members banquet on May 7. An additional guest can join you for \$10. This is an evening full on fun and a great dinner. New members will not be eligible for the Lucky Loser drawings and other traditional drawings of the evening, however, a special drawing will be held just for new members to win \$50 that night.

We hope that you will become a 500 Club member. Newport Central Catholic has profited over \$405,000.00 since the club began 28 years ago. If you choose to purchase the enclosed card, keep it and return a check for \$50 payable to Newport Central Catholic in the enclosed envelope. If you do not wish to purchase the card, simply return it. Please fill out the RSVP and return it with your payment if you choose to attend the banquet. The new year begins on Friday, May 7 and ends on Friday, April 29, 2011.

Please contact the NCC Alumni Development Office at (859) 292-0001 if you have any questions.

Sincerely,

Mary Rawe Ciafardini
